GRAND KNIGHTS MESSAGE

Brother Knights,

It brings me great joy to reintroduce our Council 905 newsletter! After a pause, we're bringing it back as a quarterly update to keep everyone informed, connected, and engaged with our mission of charity, unity, and fraternity.

I'm proud to share that we've seen exciting growth in our membership over the past few months. New faces mean new energy, and it's encouraging to see men stepping up to serve both our parish and community. To our new members: welcome—we're glad you're here. To our long-time Brothers: thank you for your continued dedication and support.

Looking ahead, we have a full calendar of opportunities for service, fellowship, and faith formation. Whether it's participating in upcoming parish events, volunteering with our charity programs, or simply joining us at a monthly meeting, there's a place for each of us to contribute.

This newsletter will help us stay informed and united as we move forward. Thank you for being part of this brotherhood. Let's continue to build something great together.

Mario Martinez, Grand Knight

“True charity requires courage: Let us overcome the fear of getting our hands dirty so as to help those in need.”

FISH FRY RECAP

This past Lent, Council 905 brought back our Weekly Friday Fish Fry, and it was a tremendous success! Each week, we served up delicious plates of fried cod, coleslaw, French fries or scalloped potatoes, and fresh dinner rolls—and we were thrilled to see so many parishioners, friends, and neighbors join us for great food and even better company.

The Lady Knights sweetened the evenings with a fantastic dessert table, offering homemade treats that were a hit week after week. We also kept the energy lively with 50/50 raffles and other fun prize giveaways that added to the sense of community and excitement.

While we faced a hiccup with a gas leak that forced us to cancel one Friday, the issue was quickly resolved thanks to the hard work and determination of several dedicated Brother Knights. Their quick response ensured the safety of our facilities and allowed us to finish the season strong.

Thank you to everyone who helped prepare, serve, clean, or simply showed up to support us. Your involvement made the Fish Fry a highlight of our Lenten season—and we're already looking forward to next year!

FATHERS DAY BBQ WITH 4488 COUNCIL

This Father's Day, Council 905 joined with our neighbors at Colton Council 4488 for a fantastic day of fellowship, food, and family fun. With over 100 people in attendance, the celebration was a true reflection of our shared values and growing brotherhood.

The grill stayed busy all afternoon as we served up burgers, hot dogs, carne asada, and chicken asada, complemented by a plethora of potluck sides brought by generous families. The variety and quality of food were only matched by the joyful spirit of the day.

A horseshoe tournament added a friendly dose of competition, while the jumper kept the kids entertained, giving families time to relax and connect.

Events like these strengthen the bond between our councils and remind us of the joy that comes from service, unity, and community. We look forward to more shared events with Council 4488 and building even stronger ties in the year ahead.

FIREWORKS BOOTH FUNDRAISER

Council 905 will be running our annual fireworks stand as a key fundraiser this summer. We'll be set up in the Amapola parking lot, located at Baseline and Mt. Vernon, leading up to the 4th of July.

We're asking all Brother Knights to lend a hand—whether it's setting up, selling, or helping clean up. Even a few hours makes a big difference. You can contact Brother Andrew Anaya to get involved or just show up.

Also, help us spread the word! Encourage friends, family, and parishioners to buy their fireworks from us—every purchase helps support our charitable work throughout the year.

Let's make this year's fundraiser a booming success!

FRESH PAINT IN THE HALL

This spring, several Brother Knights came together to give our council hall a much-needed refresh with a fresh coat of paint. The updated color has truly brightened and modernized the space, making it more welcoming for meetings, events, and gatherings.

After a productive morning of painting, the crew enjoyed a Council-provided lunch, sharing stories and fellowship over a well-earned break. Thank you to everyone who pitched in—we appreciate your time, effort, and teamwork in making our hall look its best!

905 COUNCIL OFFICERS

We extend our sincere gratitude to the dedicated men who served as officers for Council 905 in 2024. Your leadership, commitment, and hard work have been vital in advancing our mission and supporting our brotherhood and community.

We are pleased to share that most of these officers will continue in their roles for 2025, bringing continuity and strength to our council as we move forward together.

Thank you all for your unwavering service and for setting a strong example for our members.
